Welcome

2015 WFTDA DIVISION 1 CHAMPIONSHIPS HOSTED BY MINNESOTA ROLLERGIRLS

On behalf of the WFTDA Board of Directors, Officers, and staff, I am excited to welcome you to the 2015 International WFTDA Division 1 Championships. There's nothing quite like a live roller derby tournament: the tantalizing goods at the vendor tables; the rumble and squeak of wheels on the track; the electrifying roar of a cheering crowd. Energy and emotions are alive throughout the venue as games are anticipated, victories celebrated, and losses despaired. While old friendships are kindled and new rivalries spark, the derby community celebrates its power, celebrates power, and strengthens bonds.

This is why we love it. This is why we live it.

Whether you're a Skater, Official, photographer, announcer, or fan (or any combination thereof), we're glad you've chosen to live derby this weekend!

This weekend wouldn't be possible without the tremendous amount of support and time our hosts, Minnesota RollerGirls, and all of their volunteers have put in. When you see their event staff, be sure to thank them for hosting such a fantastic tournament.

Enjoy your time in Saint Paul and we'll see you 'round the track!

Alisha Campbell

WFTDA Tournaments Director

**BIGGER. BETTER.
UNSTOPPABLE!**

DID YOU KNOW? INTERESTING FACTS ABOUT SAINT PAUL

- Saint Paul is Minnesota's capital city and the older "twin" of Minneapolis by 13 years. Together, they make up the Twin Cities, but alone, Saint Paul is a laid back city. It doesn't want to be like any other place in the world and it isn't. These cities, as far as twins go, are like Schwarzenegger and DeVito - some have said Minneapolis is an Appletini, and Saint Paul is a fine Scotch.
- Speaking of Scotch, Saint Paul is home to 3M, makers of Scotch Tape™, a gangster history that includes police shootouts with John Dillinger, a flourishing craft beer scene and Garrison Keillor's A Prairie Home Companion. I bet you've never seen Post-it Notes, Dillinger, craft beer and Garrison Keillor in the same sentence, but that's just the beginning of what makes Saint Paul special.
- We're especially fond of our architecture. This includes the longest stretch of preserved Victorian architecture in the United States on Summit Avenue; the Cass Gilbert designed State Capitol, which touts the second largest unsupported marble dome in the world. Along with historic buildings, of which 104 are on the National Register of Historic Places, we also have the Historic Lowertown District which was added to the register in 1983 and has recently become a bustling hub of restaurants, pubs, outdoor concerts, the Green Line light rail system and a minor league ballpark that will be ready by opening day 2015
- While our many historic buildings didn't exactly embrace sustainability back in the early 1900's, Saint Paul is geeky about going green. From solar panels on our parking ramps, attractions and convention center, to electric car hookups, green definitely means GO in Saint Paul. Buildings on both sides of the Mississippi River are heated and cooled by the District Energy Co-Gen plant (most recognized for its use of renewable energy sources and implementation of energy conservation methods) and composting programs are set up throughout the city.
- Naturally, Saint Paul is the capital city of the headwaters state of the iconic Mississippi River. We have more miles of riverfront - 26 - than any other city on the entire stretch of the river. Not to mention those miles of riverfront are lined with biking trails and eagle's nests. You might say we are a city with nature. And we could provide you with an image gallery as wide, deep and long as the Mississippi River, to prove it.
- Finally, it was the fifth floor of our iconic Landmark Center where Minnesota congressman Andrew Volstead led the local office of the Prohibition Bureau. If his name sounds familiar, there's a good reason for that - he's the fella who wrote the Prohibition Act.

So there's a snapshot of Minnesota's capital city. We're proud of who we are. We don't want to be like any other place in the world and we really aren't.

WELCOME TO SAINT PAUL

2015 INTERNATIONAL WFTDA D1 CHAMPIONSHIPS

Welcome to Saint Paul, Minnesota! The Minnesota RollerGirls are excited to host the 2015 International WFTDA Championship Tournament in the heart of our beautiful city.

Our venue, the Roy Wilkins Auditorium, has been our home for 11 years. The Legendary Roy Wilkins Auditorium, Saint Paul RiverCentre, and the adjacent Xcel Energy Center are known for being passionate about creating the best experiences imaginable for their guests, and that includes providing a setting that is a model of sustainable practices. We are so thrilled to host the best Women's Flat Track Derby teams here!

The Minnesota RollerGirls hope your stay in Saint Paul is enjoyable and memorable!

ABOUT YOUR HOST LEAGUE

Founded by the Donnelly sisters in August 2004, the Minnesota RollerGirls are one of the first modern roller derby leagues to host a public bout. After our first season in a roller rink in the northern suburbs,

we moved on up to the Legendary Roy Wilkins Auditorium in the capital city of the great state of Minnesota. We are proud to be a founding member of the Women's Flat Track Derby Association.

We have four home teams: the Atomic Bombshells, Dagger Dolls, Garda Belts, and Rockits, that do battle every season to win the coveted Golden Skate trophy (and bragging rights, natch). Beyond our four fantastic home teams, the Minnesota RollerGirls All-Stars are one of the top teams in the world, competing in the WFTDA Championship tournaments in 2006, 2010, 2011, 2012, and 2014. In addition to the skaters, a tip-top officiating crew and dedicated volunteers make up our 150-member league.

The Minnesota RollerGirls are dedicated to our local community. We invest our time, effort, and a portion of our event proceeds in local charities.

DERBY BASICS

Two 14-skater teams play two 30-minute periods. Each period consists of multiple "jams." Each jam is an opportunity for both teams to score points. A jam lasts two minutes unless the Lead Jammer calls it off herself.

It is legal for a player to block her opponents with her hips, rear, and shoulders. It is not legal to block to the back, to trip, or to elbow another skater. Players committing illegal actions go to the penalty box for 30 seconds while their team plays short.

© 2014 Women's Flat Track Derby Association (WFTDA)

JAMMER

Jammers wear a star on their helmets and are the scoring players for each team. The Jammers attempt to pass the opponents as many times as possible by sprinting around the track and lapping the pack.

PIVOT

The Pivot is the Blocker that wears the stripe on her head. She is the only Blocker that is allowed to accept a star pass from the Jammer, thus becoming the new Jammer and gaining the ability to score points.

BLOCKER

The Blockers are simultaneously focused on stopping the opposing Jammer from passing them and assisting their Jammer to pass the opposing team's Blockers. The pack is formed by the largest group of Blockers with players from each team on the track.

WHY WFTDA?

Photo by Jules Doyle

The Women's Flat Track Derby Association (WFTDA) is the international governing body for the sport of women's flat track roller derby and a membership organization for leagues to collaborate and network. The WFTDA sets standards for rules, seasons, and safety, and determines guidelines for the international athletic competitions of member leagues.

I don't play this sport, I am this sport. And so is every other member of the WFTDA.
- Grace Kilby

- WFTDA leagues benefit from an organized, **international** support network. The WFTDA provides a platform for leagues to share resources.

- The WFTDA enables international competition and organization without forcing leagues to lose their individual principles, providing structure with flexibility.

- Member leagues and their individual skaters ARE the WFTDA. By being a part of a member league, each skater has:

- A say in the future of the sport. Operating under the "by the skaters, for the skaters" principle, member league representatives guide the WFTDA's direction.

- A way to help design and define the rules. Anyone can play by WFTDA rules, but member leagues decide what those rules will be.

- Education, through the Apprentice Program, Officiating Clinics, officials Certification and more!

- Opportunities for tournament play. The WFTDA has upped the competition with seven tournaments in 2013. Members have the chance to help host and participate in these tournaments.

- Participation in international rankings. Comprehensive team rankings and statistics from every WFTDA-sanctioned bout are maintained within the WFTDA archives.

- Strength in numbers. As an association of nearly 200 member leagues and growing, the WFTDA offers sponsors and media access to a network of organized international leagues.

- Safeguarding the future of roller derby. WFTDA policies ensure that member leagues can protect the image and quality of the sport.

WFTDA's mission is to promote and foster the sport of women's flat track roller derby by facilitating the development of athletic ability, sportswomanship, and goodwill among member leagues.
