ABOUT THE HOSTS

Rose City Rollers

photo credit: © Skippy Price

Rose City was founded in August 2004 by a small group of gritty, gutsy, and nostalgic gals who decided to dust off their quad skates and hit the rink. From those humble beginnings, Rose City has become the largest roller derby league in the world with over 500 active skating members, including an awesome junior derby program, and hundreds of volunteers and support staff. And we wouldn't be true to ourselves if we didn't mention that we are the current WFTDA Champs, bringing the Hydra trophy home in 2015!

WELCOME TO PORTLAND, OR!

The **Rose City Rollers** are super-excited to host another WFTDA Tournament! This packet contains details about the tournament weekend including visitor information about the Portland area. WFTDA Champs is all about competitive roller derby—but we also know that Portland is a great place to visit. We look forward to spending an amazing weekend with you—both on and off the track!

SIGN IN & LACE UP

REGISTRATION

Registration will be at the Veterans Memorial Coliseum on Thursday, November 3, from 5:00 PM to 10:00 PM, at which time skaters, officials, and other credentialed participants will complete required paperwork and receive their tournament credentials. If you are arriving after the registration time, you must use Main Entrance to venue and check in at the VIP table. Once checked in, you can use Production Entrance from North Stage Lot.

Captains Meeting will be at the Veterans Memorial Coliseum on Thursday at 8:00 PM local time (US Pacific). Officials Meeting will be at the Veterans Memorial Coliseum on Thursday at 9:00 PM local time (US Pacific).

Credentials must be worn at all times in order to obtain access to the venue and to participant-only areas. There is a \$30 fee to replace lost or stolen credentials.

MEDICAL ASSISTANCE

The WFTDA as tournament host provides trained, certified emergency medical responders should an injury occur on the track. These staff may be a contracted service, venue provided, volunteers, and and/or team/league professionals. Only the staffed responders working their current shift may go onto the track or players' benches to access or treat a skater or official. Once removed from the playing area, if the skater or official wishes to use their own medical provider, that individual may refuse additional treatment.

Team/League medical staff seeking to treat their skaters on the track or bench must be part of, and sit with, the scheduled medical crew. For information on how to volunteer for the safety staff, please let your team's wrangler know so that they can notify the Safety Liaison. PLEASE NOTE: NOT ALL VENUES AND CONTRACTS PERMIT THE USE OF ADDITIONAL OR VOLUNTEER MEDICAL STAFF. The opportunity to participate in this capacity is not guaranteed and when not part of the prearranged schedule will not be permitted.

For fans that may require medical assistance on site, the Veterans Memorial Coliseum staffs a first aid station in the concourse.

TEAM ROOMS

There will be four locker room areas and these will be assigned based on the tournament schedule. Please note these rooms will be shared by all teams. Please leave the team rooms in better condition than you found them.

There will be designated areas to leave your gear when not assigned a locker room and these will be in credential-only areas. The Veterans Memorial Coliseum, the WFTDA, and the Rose City Rollers assume no responsibility for items left unattended.

There will be designated areas for officials, announcers, and credentialed photographers and media. Please clean up after yourselves since there are quite a large number of you using shared space.

TRACK FLOOR, WARM-UP SPACE, AND WARM-UP TIMES

There will be open track time on Thursday from 5pm-8pm. Skaters, be prepared for media to be there.

The venue will be open by 8:00 AM Friday morning for skaters and officials who wish to test the floor. The track floor is skate court.

There will be space for on-skates warm up, but most likely not a full track for warm up. Teams will be allowed to warm up on the track during the half time of the game prior to their own, as well as in the 10 minutes before the start of their game.

SAFETY FIRST
