ABOUT THE HOSTS

Steel City Roller Derby

Steel City Roller Derby (SCRD), Pittsburgh's first and only all-women roller derby league, was founded in 2006 by a group of passionate women excited to bring the burgeoning sport to a sports-crazy town! SCRD has been a proud member of the WFTDA since 2007 and is ecstatic to be hosting our first WFTDA tournament. SCRD's travel teams, the Steel Hurtin' and Steel Beamers, proudly wear Pittsburgh's famed black and yellow to represent our city on the international roller derby stage.

INTERESTING FACTS ABOUT PITTSBURGH

Most people recognize one thing about Pittsburgh's history, that it was known as an industrial hub for coal mining and steel production. Up through the mid-1950s, Pittsburgh was the nation's eighth-largest city, accounting for nearly half of national steel output. The city's population swelled to over a half million with European immigration via Ellis Island. Pittsburgh's patchwork of neighborhoods still retains an ethnic character reflecting the city's immigrant history.

Even though Pittsburgh faced rough times in the 1970s and 80s when steel production all but disappeared from its landscape, it has since reinvented itself as a hub for education, medicine, small manufacturing, and research.

Today Pittsburgh welcomes visitors from around the globe. Its strengths lie in its authenticity as an all-American city, and its genuine, hard-working, and welcoming sense of community that has transformed it into one of the most surprisingly beautiful and progressive cities in the USA.
