WELCOME

A Letter From **WFTDA**

On behalf of the WFTDA Board of Directors, Officers, and staff, I am excited to welcome you to the **2017 International WFTDA Championships** in Philadelphia.

Once again, the WFTDA will be hosting non-stop, nail-biting games and teams from all around the world in a truly dynamic show of athleticism, drive, and passion for the sport of roller derby.

We believe roller derby can bring people together in ways that are real, strong, athletic, and revolutionary and this is evident in how the love of flat track has grown globally. We believe that this community of sport can impact individuals, cities, countries, and the world in so many positive ways.

We know our community of fans, announcers, skaters, coaches, photographers, volunteers, and officials put in countless hours for flat track derby because they believe that roller derby makes us all stronger and better for being a part of this great game.

Take the time to say hi and thank you to our amazing hosts, Philly Roller Derby, and all of their volunteers, without them none of this would be possible.

Enjoy your time in Philadelphia and we'll see y'all trackside!

DERBY BASICS

Two 14-skater teams play two 30-minute periods. Each period consists of multiple "jams." Each jam is an opportunity for both teams to score points. A jam lasts two minutes unless the Lead Jammer calls it off herself.

It is legal for a player to block her opponents with her hips, rear, and shoulders. It is not legal to block to the back, to trip, or to elbow another skater. Players committing illegal actions go to the penalty box for 30 seconds while their team plays short.

©2014 Women's Flat Track Derby Association (WFTDA)

JAMMER
Jammers wear a star on their helmets and are the scoring players for each team. The Jammers attempt to pass the opponents as many times as possible by sprinting around the track and lapping the pack.

PIVOT
The Pivot is the Blocker that wears the stripe on her head. She is the only Blocker that is allowed to accept a star pass from the Jammer, thus becoming the new Jammer and gaining the ability to score points.

BLOCKER
The Blockers are simultaneously focused on stopping the opposing Jammer from passing them and assisting their Jammer to pass the opposing team's Blockers. The pack is formed by the largest group of Blockers with players from each team on the track.

Hello From Philly Roller Derby

Philly Roller Derby welcomes you to Philadelphia, the City of Brotherly Love. We are proud and very thrilled to be hosting the 2017 International WFTDA Championships!

Our city is dense with a lot of personality, all coming from the widely known neighborhoods of South Philly, West Philly, and Fishtown, just to name a few. Try a cheesesteak, run up the “Rocky steps”, check out a museum or two, walk around historic landmarks or just hang out at a corner bar all day— we won’t judge!

Stay a while and get to know our multifaceted city of creativity, great food, craft breweries galore, festivals, bumpin’ block parties, street performances, bike trails and lanes, lively music, theatre, art galleries and outdoor murals! We’re more than happy to welcome you to our city and hope you not only enjoy the amazing sport of roller derby while you’re here, but youse gotta live it up and check out all that Philly has to offer!

ABOUT PHILLY

Established in 2005, Philly Roller Derby’s mission is simple: to promote health, athleticism, and leadership skills in people of all ages through roller derby training and competition. PRD is a skater-owned and operated roller derby league and strives to develop relationships with other nonprofit organizations and charities, and to support groups within the great city of Philadelphia and beyond. As a founding member of the WFTDA, we are honored to once again host the 2017 International WFTDA Championships.

From humble beginnings of penalty wheels, fishnets, and renting a roller rink in Camden NJ, PRD has evolved into 3 intramural teams, 2 travel teams (including the All-Star Liberty Belles), and 1 junior league organization with it’s own home in Germantown Philadelphia. Over the last decade, PRD has hosted 255 WFTDA sanctioned games between their annual East Coast Derby Extravaganza, 2009’s WFTDA Nationals (now International Championships) Declaration of Derby, and various other home games. The Liberty Belles have participated in post-season playoffs every year since 2007 and competed in all but four Championships.

Philly Roller Derby is composed of not only our adult skating members, but countless volunteers, officials, and juniors skaters who welcome you to Philadelphia for a weekend of unforgettable derby and fun times!

We Believe

The Women's Flat Track Derby Association is proud to introduce our new international giving program to support global change, We Believe. Based on our shared belief that through participation in roller derby, individuals can change not only their own lives but the lives of people around the world, We Believe is our collective opportunity to work together on global change.

WFTDA Partners With UN Women

The WFTDA will be partnering with UN Women, whose mission is to achieve gender equality and women's empowerment worldwide. Through this partnership, the organizations collaborate on strategic objectives, such as fundraising for and supporting UN Women's *One Win Leads to Another* program, which uses sport to develop leadership and economic skills in young women and girls.

I AM WFTDA.

I AM DERBY.

DERBY^{for} DARBY

Visit the **Philly Roller Derby** merch table to find out how you can contribute to funding the future activities and aspirations of Darby Rose, daughter of the late Robin Drugstores.

From 2006-2010, Andrea Tessler ruled the flat track with Philly Roller Derby. Skating as Robin Drugstores #714, she struck terror into many a jammer's heart as a member of the league's charter travel team, the Liberty Belles, as well as the legendary Heavy Metal Hookers home team. With her daughter, Darby Rose (Fire Unicorn), cheering her on with "unicorn magic," no opponent was too formidable.
