WELCOME

2016 International WFTDA Championships

On behalf of the WFTDA Board of Directors, Officers, and staff, I am excited to welcome you to the 2016 International WFTDA Championships.

Nothing compares to being here. Plain and simple. The fantastic feats of athleticism on the track, the excitement and emotion in the stands, the concentration and attention to detail on the dais, and the enticing goods in the vendor village.

This is roller derby. We are roller derby.

So who will you be today? Will you be persistent and powerful, strong and swift, a leader on the track? Will you be fierce and fast and forceful, a goal setter...a record breaker? Will you be focused and creative? Will you capture that amazing shot? Will you paint your face and put on your colors? Will you chant and sing and cry and scream?

One thing is clear—whether you're a Skater, Official, photographer, announcer, or fan (or any combination thereof), **TODAY YOU WILL BE ROLLER DERBY!**

This weekend wouldn't be possible without the tremendous amount of support and time our hosts, Rose City Rollers, and all of their volunteers have put in. When you see their event staff, be sure to thank them for hosting such a fantastic tournament.

Enjoy your time in Portland and we'll see you 'round the track!

FROM YOUR HOST

WELCOME FROM THE ROSE CITY ROLLERS

Welcome to Portland, Oregon! The Rose City Rollers are excited that you are here and stoked to be hosting the WFTDA Championship Tournament this year!

Our tournament is being held at the Veterans Memorial Coliseum, part of the Rose Quarter complex and home of the Portland Trailblazers. This complex is centrally located in Portland, near shops and restaurants and an easy light rail ride from beautiful downtown Portland. Around the area you will find plenty of coffee shops, cafes, and bars as well as a whole bunch of shops to meet your traveling needs.

Portland is becoming quite the travel destination these days, what with our mild climate and "keep it weird" attitude. We are proud to be in the Pacific Northwest, home of evergreen trees, lumberjacks, and grunge music.

The Rose City Rollers hope that you have an amazing time while in our town and encourage you to stick around after this weekend and check out some of what we have to offer. From waterfalls in the Columbia River Gorge to Powells Books, we really do have it all.

ABOUT THE ROSE CITY ROLLERS

Rose City was founded in August 2004 by a small group of gritty, gutsy, and nostalgic gals who decided to dust off their quad skates and hit the rink. From those humble beginnings, Rose City has become the largest roller derby league in the world with over 500 active skating members, including an awesome junior derby program, and hundreds of volunteers and support staff. And we wouldn't be true to ourselves if we didn't mention that we are the current WFTDA Champs, bringing the Hydra trophy home in 2015!

DERBY BASICS

Two 14-skater teams play two 30-minute periods. Each period consists of multiple "jarns." Each jam is an opportunity for both teams to score points. A jam lasts two minutes unless the Lead Jammer calls it off herself.

It is legal for a player to block her opponents with her hips, rear, and shoulders. It is not legal to block to the back, to trip, or to elbow another skater. Players committing illegal actions go to the penalty box for 30 seconds while their team plays short. Jam Start

Each team fields 4 Blockers and 1 Jammer. Blockers attempt to take the position most advantageous for their Jammer while setting up to block the opposing Jammer. Play starts with a single whistle blast. Second Pass

In subsequent passes, Jammers earn 1 point for each opposing player they pass legally. The opposing Blockers will try to stop the Jammer, while helping their own Jammer through the pack.

First Pass

During the first pass, the first Jammer to pass all in-play Blockers in the pack legally is Lead Jammer. Lead Jammer status is signaled by the officials blowing two short whistle blasts and pointing at the Lead Jammer.

2014 Women's Flat Track Derby Association (WETDA)

JAMMER

Jammers wear a star on their helmets and are the scoring players for each team. The Jammers attempt to pass the opponents as many times as possible by sprinting around the track and lapping the pack.

PIVOT

The Pivot is the Blocker that wears the stripe on her head. She is the only Blocker that is allowed to accept a star pass from the Jammer, thus becoming the new Jammer and gaining the ability to score points.

BLOCKER

The Blockers are simultaneously focused on stopping the opposing Jammer from passing them and assisting their Jammer to pass the opposing team's Blockers. The pack is formed by the largest group of Blockers with players from each team on the track.

FACTS ABOUT PORTLAND

The Rose City Rollers are proud of our fair city. For many reasons. We have tried to capture some of the charm of our town with the following lists of accomplishments and fun facts.

- Portland was named by the flip of a coin. Had it landed on the other side, we would all live in Boston, Oregon.
- Portland is home to more strip clubs per capita than anywhere else in the country.
- Matt Groening of Simpsons fame is from Portland. How many Simpsons character names can you see in the streets of Portland?
- Oaks Park (Home of Rose City Rollers) is known as the "Coney Island of the Northwest" (not sure by who) and is one of the oldest operating amusement parks in the country, opening in May of 1905. They also boast the oldest operating roller coaster on the West Coast!
- Portland is the only major US city to have a dormant volcano within city limits. Yup. We are that cool.
- And finally, you might see water fountains around the city on sidewalks. They are called Benson Bubblers and they were installed in front of pubs in ye olden times to keep people from drinking during work hours.
- Oh, and Portland, Oregon is currently the home of the WFTDA Hydra trophy.
