## A Letter From **WFTDA**

On behalf of the WFTDA Board of Directors, Officers, and staff, I am excited to welcome you to the **2017 International WFTDA Playoffs in Malmö**.

For the first time ever, the WFTDA is hosting a playoff tournament in Europe. With non-stop, nail-biting games and teams from all around the world, this will be a truly dynamic show of athleticism, drive, and passion for the sport of roller derby.

We believe roller derby can bring people together in ways that are real, strong, athletic, and revolutionary and this is evident in how the love of flat track has grown globally. We believe that this community of sport can impact individuals, cities, countries, and the world in so many positive ways.

We know our community of fans, announcers, skaters, coaches, photographers, volunteers, and officials put in countless hours for flat track derby because they believe that roller derby makes us all stronger and better for being a part of this great game.

Take the time to say hi and thank you to our amazing hosts, Crime City Rollers, and all of their volunteers, without them none of this would be possible.

Enjoy your time in Malmö and we'll see you 'round the track!

# DERBY BASICS

Two 14-skater teams play two 30-minute periods. Each period consists of multiple "jams." Each jam is an opportunity for both teams to score points. A jam lasts two minutes unless the Lead Jammer calls it off herself.

It is legal for a player to block her opponents with her hips, rear, and shoulders. It is not legal to block to the back, to trip, or to elbow another skater. Players committing illegal actions go to the penalty box for 30 seconds while their team plays short.

©2014 Women's Flat Track Derby Association (WFTDA)

## JAMMER

Jammers wear a star on their helmets and are the scoring players for each team. The Jammers attempt to pass the opponents as many times as possible by sprinting around the track and lapping the pack.

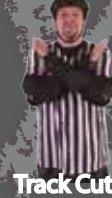

## PIVOT

The Pivot is the Blocker that wears the stripe on her head. She is the only Blocker that is allowed to accept a star pass from the Jammer, thus becoming the new Jammer and gaining the ability to score points.

## BLOCKER

The Blockers are simultaneously focused on stopping the opposing Jammer from passing them and assisting their Jammer to pass the opposing team's Blockers. The pack is formed by the largest group of Blockers with players from each team on the track.

# Hello from Crime City Rollers

Dear derby people, welcome to our city! We are so proud and extremely excited to be able to show you what Malmö has to offer. We had our first big WFTDA-recognized tournament in Malmö 2015 and it was a huge success. Being able to organize and host a WFTDA Division 1 Playoffs tournament in Malmö has just been a dream come true for our league. It's hard to imagine that we started off practicing on a car park roof just a couple of years ago. With the motto "The sky is the limit!" we hope to go even further than this.

We really hope that you will enjoy your stay here and maybe even come back some time!

**Love,  
Crime City Rollers**

## About **MALMÖ**

With a bit over 300 000 citizens Malmö is the third largest city in Sweden. There is a saying in Malmö: "Haur du sitt Malmö haur du sitt varden!", which basically means "If you've seen Malmö you've seen the world!" It is a pretty bold statement but a lot of the Malmö citizens are very proud of their city.

Malmö is a beautiful city. Each area of the city is pretty small and only a true Malmöit knows where the lines are drawn. The city borders the Danish capital Copenhagen and the ocean and water is a big part of the city. During summertime, the beaches around Malmö are packed with people who come alive when the sun comes out. Traditionally, Malmö was a working class city. When the iconic landmark Kockumskranen—the lift used in Malmö's shipbuilding industry—was sold in the 1990s many were upset. If you visit the bar Nobes you will be guaranteed to meet people who still rage about this. Today, Malmö is a city that invests in culture. It is also a city that loves Roller Derby—Crime City Rollers have gotten a lot of support from the city and have been lucky to get both venues and training times in the city. In the beginning of 2016, we acquired our very own practice venue, of which we are super proud! We now have over 100 members in our league and we keep on growing.

# THANK YOU

The time has finally come! The excitement and inspiration for this tournament has been buzzing for almost a year now! First of all we would like to thank the WFTDA for giving us this opportunity. It wouldn't have been possible though without the support from Malmö stad and Event Skåne—thank you for supporting us in our mission to put Malmö on the derby map.

As a derby league it feels like we keep outdoing ourselves, and with every great event we host we grow a little bit stronger and taller. Behind this tournament stands an amazing group of people who have all contributed with their different skills, energy, and not to mention, patience throughout the process. A special thanks goes out to Vix and Mia, who together with our board turned an idea into action; to Rut for being the brains and structure behind the internal Playoffs group; to Kix and Sexy who put in time, sweat, and awesomeness in the PR department; to Vanilla, ChinChin, and Ninja who have gone beyond finding our sponsors; to the Party group for enlightening our evenings; and to Bout Production for doing what you always do best, this time together with a fine, fine crew of volunteers; to our internal Playoffs group who spent many hours sparking ideas and administrating. And, finally and most of all, thanks to OUR LEAGUE for making this happen! Now it is time and it will be a blast!

# We Believe

The Women's Flat Track Derby Association is proud to introduce our new international giving program to support global change, We Believe. Based on our shared belief that through participation in roller derby, individuals can change not only their own lives but the lives of people around the world, We Believe is our collective opportunity to work together on global change.

## WFTDA Partners With UN Women

The WFTDA will be partnering with UN Women, whose mission is to achieve gender equality and women's empowerment worldwide. Through this partnership, the organizations collaborate on strategic objectives, such as fundraising for and supporting UN Women's *One Win Leads to Another* program, which uses sport to develop leadership and economic skills in young women and girls.
