INTERNATIONAL WFTDA PLAYOFFS & CHAMPIONSHIPS

S-CURVE SEEDING

The race to Playoffs is on! Use this handy S-curve chart and bracket to create your own fantasy (or reality) Playoffs bracket for our two 2018 International WFTDA Playoffs events in A Coruña, Spain August 31 - September 2, and Atlanta, Georgia, September 21 - 23.

First, you'll need to pull out who you think will be the top 4 ranked teams in the WFTDA as of June 30, 2018. Then, for the next 24 teams, just fill in the blanks on the seeding chart under each seeding number, and then migrate those names to the appropriate game in the brackets. You'll need a bracket for each Playoffs you want to create. Use your best derby judgment to decide who the winner of each game should be, and move through the bracket to the end to determine the winner of each Playoffs. **Have fun!**

Note: The WFTDA reserves the right to switch a host from one bracket to another, should the geographic grouping of the other bracket be such that a move would better support the needs of WFTDA's mission. Final WFTDA tournament brackets may deviate from the S-curve chart. Game numbers are subject to change when game times are confirmed.
