## A LETTER FROM WFTDA

On behalf of the WFTDA Board of Directors, officers, and staff, I am excited to welcome you to the **2018 International WFTDA Playoffs** in A Coruña, Spain.

Once again, the WFTDA will be hosting non-stop, nail-biting games and teams from all around the world in a truly dynamic show of athleticism, drive, and passion for the sport of roller derby. As we witnessed last year, anything can happen!

We believe roller derby can bring people together in ways that are real, strong, athletic, and revolutionary and this is evident in how the love of flat track has grown globally. We believe that this community of sport can impact individuals, cities, countries, and the world in so many positive ways.

We know our community of fans, announcers, skaters, coaches, photographers, volunteers, and officials put in countless hours for flat track derby because they believe that roller derby makes us all stronger and better for being a part of this great game.

Take the time to say hola and gracias to our amazing hosts As Brigantias and all of their volunteers: without them, none of this would be possible.

Enjoy your time in beautiful A Coruña and we'll see y'all trackside!

# OUR COMMITMENT TO AN ABUSE-FREE DERBY COMMUNITY

The Women's Flat Track Derby Association is committed to hosting WFTDA events free of harassment, discrimination and abuse — where all people are treated with respect, dignity and fairness. As such, we expect all members working at or participating in a WFTDA event to abide by the following. Everyone is entitled to an environment without:

- **Intimidation or threats** - E.g., suggesting malicious repercussions to force another person to do something, threatening gestures.
- **Physical assault of any type** - E.g., shoving, tripping or using physical force on someone, unwarranted physical contact.
- **Unwanted sexual attention or contact** - E.g., sexually suggestive comments, innuendos, or non-consensual touching.
- **Unwanted photography or video recording** - E.g., recording someone without their knowledge or after they've asked you to stop.
- **Bullying** - E.g., using abusive or insulting language, spreading rumours.
- **Stalking** - E.g., repeated and unwanted communications or gifts, following someone throughout the event, damaging their property

## CREATING AN INCLUSIVE ENVIRONMENT

In order to create a better environment for all people, particularly those belonging to marginalized groups, the WFTDA is committed to ensuring that all voices are heard and all interactions are respectful. As such, all participants, volunteers and attendees are required to make a good faith effort to do the following:

- **Communicate openly**
- **Approach situations with an open mind**
- **Accept that others' boundaries** (emotional, physical, etc.) **may be different from yours**
- **Stay mindful of how much space you take up** (body and voice)
- **Believe people when they share their experiences**
- **Accept that others' lives and histories are different from yours**
- **Be accountable for your actions**
- **Exercise good judgment**

The WFTDA understands that given the diversity of our community, it is challenging to always be able to determine when your actions encroach on others. As such, it is important to stop behaviour when asked, think critically about your behaviour and make amends when needed and appropriate.

Failure to act in good faith, make amends when necessary or severe breaches of the above may result in including but not limited to, warnings, removal from the current WFTDA event as well as future WFTDA events. It may also result in a formal investigation and follow-up outside of the WFTDA event.

## CODE OF CONDUCT

The Women's Flat Track Derby Association strives to provide a safe and satisfying event for everyone in attendance. As such it is necessary to abide by the following rules:

- Do not bring in prohibited items such as weapons, non-service animals, balloons, megaphones, vuvuzelas, laser pointers or other items deemed inappropriate, harmful, or hazardous by tournament staff.
- Do not bring in banners or signs that obstruct the view of guests, obscure sponsor advertising, contain objectionable subject matter, or are commercial in nature.
- Do not attempt to enter areas that you are not authorized to enter.
- Do not use alcohol or drugs (laws permitting) irresponsibly.
- Dress appropriately (no clothing with slurs or that suggests or condones harassment, discrimination, or abuse).
- Do not damage, destroy, or vandalize property.
- No smoking, except in designated areas (located outside of the arena).
- No professional video cameras, still photography, and audio recorders without proper credentials and prior authorization.

Guests not abiding by this Guest Code of Conduct are subject to ejection from the venue. In the event that you are refused entry into or requested to leave the venue for failure to comply with the Guest Code of Conduct or follow the venue regulations, you will not be entitled to a replacement or refund for your ticket. Entry to the venue shall constitute acceptance of the Guest Code of Conduct and venue regulations.

# ROLLER DERBY BASICS

Two 15-skater teams play two 30-minute periods. Each period consists of multiple "jams." Each jam is an opportunity for both teams to score points, and ends after 2 minutes or when the Lead Jammer calls off the jam.

It is legal for a skater to block opponents with their hips, rear, and shoulders. It is not legal to block to the back, to trip, elbow, or to back talk officials. Players committing illegal actions are penalized 30 seconds and their team plays short for that time.

## JAMMER

Jammers wear a star on their helmets and are the scoring players for each team. The Jammers attempt to pass the opponents as many times as possible by sprinting around the track and lapping the pack.

## BLOCKER

The Blockers are simultaneously focused on stopping the opposing Jammer from passing them and assisting their Jammer to pass the opposing team's Blockers. The pack is formed by the largest group of Blockers with players from each team on the track.

## PIVOT

The Pivot is the Blocker that wears the stripe on their head. They are the only Blocker that is allowed to accept a star pass from the Jammer, thus becoming the new Jammer and gaining the ability to score points.

## JAM START

Each team fields 4 Blockers and 1 Jammer. Blockers start anywhere between the Jammer Line and the Pivot Line, 30 feet (9.15 meters) away. Jammers start behind the Jammer Line. Play starts with a single whistle blast.

## FIRST PASS

During the first pass, the first Jammer to pass all skaters in the pack legally is Lead Jammer. Lead Jammer status is signaled by the officials blowing two short whistle blasts and pointing at the Lead Jammer.

## SECOND PASS

In subsequent passes, Jammers earn 1 point for each opposing player they pass legally. The opposing Blockers will try to stop the Jammer, while helping their own Jammer through the pack.

# CONCUSSIONS + ROLLER DERBY 101

## KEEP YOUR HEAD IN THE GAME

### WHAT IS A CONCUSSION?

A concussion is a type of traumatic brain injury caused by a bump, blow, or jolt to the head that can change the way your brain normally works. Concussions can also occur from a blow to the body that causes the head to move rapidly back and forth.

### CONCUSSION SYMPTOMS

Concussions can have any one or more of the following symptoms:

- ★ Positive loss of consciousness (blackout.)
- ★ Headaches and sensitivity to light.
- ★ Physical signs (such as nausea, vomiting or unsteadiness.)
- ★ Impaired brain function (such as confusion.)
- ★ Abnormal behavior (agitation/aggression.)

Adults typically take longer to show symptoms than children and some symptoms may take several hours to manifest.

**DID YOU KNOW?** A concussion assessment should occur shortly after the incident, but the participant may request a short time to rest before being assessed. Participants have the right to refuse to be evaluated and if so, they cannot return to play. In WFTDA sanctioned play, when the minimum standard for concussion assessment is employed (volunteer using the [Concussion Recognition Tool](#)), a **SINGLE** symptom is grounds for removing the participant from further activities. Failure to comply with an assessment is grounds for removing the participant from further activities.

### WHAT ELSE CAN YOU DO?

#### 10 IDEAS TO RAISE AWARENESS

1. Read the [WFTDA Risk Management Guidelines](#) and make sure your league is familiar with them.
2. Add the [Sport Concussion Assessment Tool 5th Edition \(SCAT5\)](#) to your medical kit and print it for usage in your league. Knowing when someone should be checked out by the proper medical staff is very important even if you are not comfortable doing an assessment yourself.
3. Take the [Online Concussion Training for Health Care Providers](#) by the Centers for Disease Control and Prevention.
4. Recruit more Safety Personnel in your league. Not sure what they do? Read the [Risk Management Guidelines](#).
5. Talk about concussions. We don't talk enough about the hits, the falls, the aftermath, and the (sometimes unclear) long-term effects of brain injuries. Talking about it can empower us to pull a skater or encourage someone to sit out the rest of the game.
6. Reflect on your own behavior! How do you approach a bad hit or fall?
7. Did you see something happen that makes you think someone might have gotten a concussion? Encourage your teammates, fellow Officials or anyone else you can think of to take a break and get checked out. Let the medics know what you saw.
8. Get familiar with the Return to Play protocol in the [Risk Management Guidelines](#) for yourself and your peers.
9. Are you participating at a WFTDA Tournament? Read and sign the [Concussion Impact Acknowledgment](#).
10. Most importantly: Wear a proper-fitting and certified helmet and remind others to adjust/replace their helmet. Helmets should fit snugly and cover the frontal lobe — they should not sit back on the cranium itself. The straps should create a "y" under each earlobe.

## REMEMBER THE 5 R's

### REDUCE

The impact by getting a certified and properly fitting helmet

### RECOGNIZE & REACT

Know what to look for and realize when someone needs attention

### RETURN

To skating following the Return to Play protocol in the [WFTDA Risk Management Guidelines](#)

### RESOURCES

Educate yourself and others by reading and sharing all the information at [WFTDA.com/Concussions](https://www.wftda.com/concussions)

### WHAT THE RULES SAY ABOUT SAFETY

**1.2 TEAMS** - Skaters who are injured during play may return to play as long as they are no longer apparently injured or bleeding. A Skater whose injury alters the flow of the game (examples include a Jam being called, a period clock stoppage, or a substitute being seated in the Penalty Box) may not participate during the following three jams.
