WELCOME FROM THE WFTDA

On behalf of the WFTDA Board of Directors, Officers, and staff, I am excited to welcome you to the first WFTDA Championships to be held in Canada! Bienvenue et entrons dans l'histoire !

Once again, the WFTDA will be hosting non-stop, nail-biting games and teams from all around the world in a truly dynamic show of athleticism, drive, and passion for the sport of roller derby. And as the visionary Maya Angelou once said *"Life is not measured by the number of breaths you take but by the moments that take your breath away."* And we know these games will make you hold your breathe!

This sport makes a positive impact every day in many individuals lives and as we come together at these events, our presence as a whole, in the hosting communities can create a positive, lasting and strong influence on the regions we gather in. Our community of fans, announcers, skaters, coaches, photographers, volunteers, and officials make the sport and the world a better place for everyone. Together we are Real, Strong, Revolutionary, Athletic.

Take the time to say salut and merci to our amazing hosts, Montréal Roller Derby, and all of their volunteers, without them none of this would be possible.

Bienvenue et à bientôt aux jeux !

ABOUT THE HOSTS

MONTREAL ROLLER DERBY

Bienvenue à Montréal, the biggest francophone city in the Americas! Yes, you will be able to navigate the city in English, but the locals will find it incredibly endearing if you bust out a few words in broken French. Often seen as Canada's cultural (and party) heart beat, it's the city's rich history that make it the most interesting.

Complexe Sportif Claude-Robillard is part of the legacy from the 1976 Olympic Games. Inaugurated in May of 1976, it is where the water-polo and handball competitions were held. Having just recently undergone major renovations, it continues to be a world-class training and competition venue for numerous sports.

Welcome from the Host League

MTLRD is super excited and honored to host our first #WFTDChamps! Our league is proud to hold a space of inclusion, solidarity and where Roller Derby is an expression of community. Receiving the highest level skaters from all over the world makes this event the most beautiful expression of our international community of love. May these days in Montréal be all about hard hits when necessary, and enjoying the city when possible. This guide is to make your stay easy and fun.

-Frida Chaos, Présidente Montréal Roller Derby

HOW TO GET HERE

By Air

Coming to Montréal by plane has never been simpler. Located just 20 minutes from downtown, Montréal-Trudeau airport offers direct flights from some 30 carriers to over 150 international destinations.

Inbound travellers will find everything they need upon arrival, including tourist information and various options for making your way to the heart of the city: car rentals, limousine and taxi service, as well as airport shuttles.

The 747 Express bus operates 24/7/365, costs \$10 and will get you to one of the nine downtown stops in 40 to 60 minutes (depending on traffic). If you take a taxi, a trip downtown will cost you a flat rate of \$41, tip not included.

By Car

Coming to Montréal by car is made easy with the various highways and bridges leading right into the city centre. Did you know that Montréal is an island and it's just 75 kilometres (46 miles) from the U.S.?

Border and right on the Trans-Canada Highway? Depending on your point of origin, you may take one of the major bridges—Champlain, Jacques-Cartier or Victoria—or the Louis-Hippolyte-La Fontaine bridge-tunnel to head downtown.

Canada uses the metric system, so speeds are indicated in kilometres (100 km/h = 62 mph) and gas is sold in litres (3 3/4 litres = 1 US gallon). Keep in mind that you can't turn right on red in Montréal or use a hand-held cell phone while driving.

By Bus Train

If you are planning a trip by bus, rest assured that many American and Canadian operators come to Montréal, including Orléans Express.

You will arrive directly downtown at the Montréal Bus Central Station, which is also connected to the Underground Pedestrian Network via the Berri-UQAM metro station.

By Train

The VIA Rail network connects many major cities to Montréal, and it is by far the easiest way to access downtown.

You can choose from 17 daily departures from the Gare centrale, which also gives you access to the Bonaventure métro station, taxi, car sharing, bus, BIXI bike rentals and the Underground Pedestrian Network.

You can bring your bike on certain VIA Rail trains too. If you are coming from the United States, the Amtrak trains offer daily departures from many American cities to downtown Montréal.

Registration will be at the Delta Montreal (475 Avenue Président Kennedy) on Thursday, November 14th, from 5:00 PM to 10:00 PM, at which time skaters, officials, and other credentialed participants will complete required paperwork and receive their tournament credentials.

Medical Assistance

The WFTDA as tournament host provides trained, certified emergency medical responders should an injury occur on the track. These staff may be a contracted service, venue provided, volunteers, and/or team/league professionals. Only the staffed responders working their current shift may go onto the track or players' benches to access or treat a skater or Official. Once removed from the playing area, if the skater or Official wishes to use their own medical provider, they may refuse additional treatment.

Team/League medical staff seeking to treat their skaters on the track or bench must be part of, and sit with, the scheduled medical crew. If you are needing a translator or have designated a person on your team as translator please let your team wrangler know. For information on how to volunteer for the safety staff, please let your team's wrangler know so that they can notify the Risk Coordinator.

PLEASE NOTE: NOT ALL VENUES AND CONTRACTS PERMIT THE USE OF ADDITIONAL OR VOLUNTEER MEDICAL STAFF.

The opportunity to participate in this capacity is not guaranteed and when not part of the prearranged schedule will not be permitted.

Team Rooms

Team areas will be based on the tournament schedule and assigned accordingly on site. An area will be designated for gear storage but cannot be guaranteed to be monitored at all times.

WFTDA TOURNAMENT CODE OF CONDUCT

The WFTDA Tournament Code of Conduct is a document that covers all participants at official WFTDA tournaments and events, inclusive of skaters, officials, volunteers, registrants, attendees, and fans. This Code is specific to events hosted by the WFTDA and is intended to cover event specific behaviors and expectations. It does not supercede the WFTDA Code of Conduct, which is still in effect for participants, skaters, officials and volunteers. Violations of the Tournament Code of Conduct will result in activation of onsite procedures, and could result in further action following the event through the Complaint and Investigation Procedure outlined in the WFTDA Code of Conduct.

General Conduct

The Women's Flat Track Derby Association (WFTDA) strives to provide a safe and satisfying event for everyone in attendance. As such, it is necessary to abide by the following rules:

- Do not bring in prohibited items such as weapons, non-service animals, balloons, megaphones, vuvuzelas, laser pointers or other items deemed inappropriate, harmful, or hazardous by tournament staff.
- Do not bring in banners or signs that obstruct the view of guests, obscure sponsor advertising, contain objectionable subject matter, or are commercial in nature.
- Do not attempt to enter areas that you are not authorized to enter.
- Do not use alcohol or drugs (laws permitting) irresponsibly.
- Dress appropriately (no clothing with slurs or that suggests or condones harassment, discrimination, or abuse).
- Do not damage, destroy, or vandalize property.
- No smoking, except in designated areas (located outside of the arena).
- No professional video cameras, still photography, and audio recorders without proper credentials and prior authorization.

Failure to follow the above may result in being removed from the event or being denied entry by WFTDA tournament staff or venue security.

Our Commitment to an Abuse-Free Derby Community

The Women's Flat Track Derby Association is committed to hosting WFTDA events free of harassment, discrimination and abuse — where all people are treated with respect, dignity and fairness. As such, we expect all members working at or participating in a WFTDA event to abide by the following.

Everyone is entitled to an environment without:

- Intimidation or threats
 - e.g., suggesting malicious repercussions to force another person to do something, threatening gestures,
- Physical assault of any type
 - e.g., shoving, tripping or using physical force on someone or unwarranted physical contact.
- Unwanted sexual attention or contact
 - e.g., sexually suggestive comments, innuendos or non-consensual touching.
- Unwanted photography or video recording
 - e.g., recording someone without their knowledge or after they've asked you to stop.
- Bullying
 - e.g., using abusive or insulting language or spreading rumours.
- Stalking
 - e.g., repeated and unwanted communications or gifts, following someone throughout the event or damaging their property

If you witness or experience any of the above, you can report it immediately or at any point to a tournament staff member wearing an EVENT STAFF badge stationed throughout the venue who will be trained on proper protocol for responding to the situation. You can also email tournaments@wftda.com to notify event staff of an issue. The WFTDA is committed to taking any report of harassment, bullying or discrimination seriously.

If you are asked to stop any behavior in connection with the above, do so IMMEDIATELY. If you disagree with being asked to stop doing something, bring it up with a tournament staff member after stopping. Do not continue the behavior.

Failure to adhere to the above may result in ejection from current, any or all future WFTDA events depending on severity, persistence or unwillingness to cease said behaviour.

Creating an Inclusive Environment

In order to create a better environment for all people, particularly those belonging to marginalized groups, the WFTDA is committed to ensuring that all voices are heard and all interactions are respectful. As such, all participants, volunteers and attendees are required to make a good faith effort to do the following:

- Communicate openly
- Approach situations with an open mind
- Believe people when they share their experiences
- Accept that others' lives and histories are different from yours
- Accept that others' boundaries (emotional, physical, etc.) may be different from yours
- Stay mindful of how much space you take up (body and voice)
- Be accountable for your actions
- Exercise good judgment

The WFTDA understands that given the diversity of our community, it is challenging to always be able to determine when your actions encroach on others. As such, it is important to stop behaviour when asked, think critically about your behaviour and make amends when needed and appropriate.

Failure to act in good faith, make amends when necessary or severe breaches of the above may result in including but not limited to, warnings, removal from the current WFTDA event as well as future WFTDA events. It may also result in a formal investigation and follow-up outside of the WFTDA event.

WFTDA TOURNAMENT RULES

- No video or audio recording devices or cameras with detachable lenses without prior approval from the WFTDA. Please visit wftda.com/tournaments/credentials for more information.

- Chairs are not permitted trackside except as a companion to ADA accessible seating. Wheelchairs (and their companion chair) must be a minimum of five feet away from the outside referee lane.
- Glassware, sharp objects, and other items deemed inappropriate, harmful, or hazardous by tournament staff are not allowed in trackside seating.
- You must remain seated in the trackside seating area. Laying down is not permitted. Keep your hands, feet, and belongings behind the safety line at all times. Do not touch or grab skaters or officials who fall into trackside seating. If a piece of clothing or equipment falls onto the track, do not enter the track or safety lane to retrieve it.
- Fire lanes, exits, and walkways must remain clear.
- Certain areas of the track and venue are reserved for individuals who require special seating or perform specific game duties. They may obstruct the view of persons behind them. - By entering the venue, you agree to the possibility of being photographed, filmed or recorded. Your voice, image, and likeness may be captured and recorded in and around the venue and publicly disseminated by any means and in any format or media. You waive all rights on an irrevocable, worldwide, perpetual basis to object to such recording and dissemination.
